

## MILESTONE ACHIEVED BY MAMBRUK & G.E.T.

### September 12 – 2006 – Development Agreement with MEDCO ENERGI

Hilmi Panigoro, President Director of PT.Medco Energi International TBK and Micky A. Hehuwat, President Director of PT.Mambruk Sarana Interbuana have jointly signed an agreement for concerted efforts in development of three renewable energy business ventures:

1. Bio Diesel with Jatropha as feedstock.
2. Hydro power projects.
3. Photovoltaic, resp. solar energy.

An immediate JV between the two companies will be established to build the scheduled nursery plantation and to develop around 10.000 ha contract farming in West Java's Banten district for the production of bio diesel.

MEDCO ENERGI is a public listed corporation registered at Jakarta Stock Exchange with a capitalization of around USD 600 Million.
